Membership Application Form

Conditions of Membership:

The minimum period for a Direct Debit membership is 3 months. Anyone cancelling their card within this period will be liable for the outstanding monthly payments. Outstanding payments must be paid in one lump sum.

Entrance is only permitted with a valid Kings Fitness & Leisure membership card. The card can only be used to access facilities with that card type. Replacement cards will incur a £2 fee.

A card is non transferable and can only be used by the person to whom it is issued.

The card remains the property of Kings Fitness & Leisure and will become invalid if it has been defaced, any attempt to tamper with seal, or if any condition of use expressed or implied has been breached.

The non payment of a Direct Debit will automatically render your membership as invalid.

Please inform the Centre if any of your personal details change.

A photograph of you will be taken on application of membership and will be stored on the Kings Fitness & Leisure Database.

If your membership lapses you will be deleted from our database after 12 months.

No refunds are given on memberships.
